

CARNIVAL TO FEATURE KING, QUEEN

According to reports from the Spardi Gras planning committee, special emphasis will be placed on the coronation of this year's king and queen. Those in charge of organizing the event have hopes of adding more color and meaning to the ceremony, and a spectacular procession, which will take place before the coronation, is planned.

Willard Hillyer, chairman of the entertainment committee, has reported that a well rounded afternoon of events is being planned to take place of the usual bean-feud which was voted out of this year's festivities.

Doug Morrison, general chairman and head of the Spardi Gras committee, stated yesterday that a bigger and better Spardi Gras is hoped for this year. He also announced that Ed Kincaid has temporarily replaced Betty Menderhausen as business manager for the campus carnival.

Chinese Educator Visits Campus

Yuan Kuan Wei, president of the Central Institute of Technology at Chungking, China, visited San Jose State college yesterday.

A leading figure among China's educators, Mr. Wei has been instrumental in the founding of several industrial education institutions in that country. His present visit to the U. S. is on behalf of the Chinese Ministry of Education, and is for the purpose of viewing American methods and practices in the teaching of Industrial Arts in elementary, high schools, and secondary schools. He has toured the campuses of many schools on the West coast, including the University of California, Stanford, and San Francisco State.

Mr. Wei received part of his education in the United States and is a graduate of Syracuse University. He expressed his appreciation of the courtesy and attention that has been extended to him by the various institutions that he has visited.

"I have learned many new things and am very interested in American methods of education," he said. "I wish to express thanks for the gracious reception my visit has received."

Pearl Harbor Docks Ablaze

HONOLULU, Feb. 27 (UP).—A roaring, oil-fed dock fire which raged through the naval supply center piers at Pearl Harbor was declared to be under control this afternoon after threatening for a time to wipe out the multi-million dollar base.

Capt. Forrest M. O'Leary, Chief of Staff to the Commandant of the Pearl Harbor naval base, said the first was brought under control after a battle of more than two hours. He said no estimate of damage could be made immediately.

The blaze, which broke out at 10:30 a. m. in the creosoted underpinnings of the supply base dock, spread rapidly upward to engulf a large warehouse above.

Observers said they believed the inferno was fed by a ruptured oil pipe under the docks.

Two Awards Given Tonight

The fraternity or sorority judged the best in rendition of school songs and yells at tonight's basketball game, will be presented with an award of recognition by the Rally committee.

Judges are ASB president Marty Taylor, Coach Dee Portal, and Yell-Leader Army Lockwood. Ben Gager president of the interfraternity council, will make the presentation.

Spartan rosters will see a block of 75 seats reserved tonight by the Rally committee for COP students.

Tiger followers will be late for the game because tonight they are honoring the "Grand old man," Coach Amos Alonzo Stagg at a farewell party at Stockton.

The Spartan football team and managers will be given miniature gold footballs by Marty Taylor in half-time ceremonies honoring the 1946 CCAA and Raisin Bowl champions. A 35-piece Pep band, led by Duane Whitehead, and Bob Reid and Pauline Dearloff will be featured on the program.

Usher chairman Bud Thorner requests all students to wear white shirts or blouses, and rooters caps.

SPARTANS TO VIE WITH SQUAWS

Playday, with Stanford women here tomorrow, will feature basketball, with the four winning teams of the tournament scheduled to face the visitors on the hardwood, announces Pat Polk, AWA acting-president.

The Blue Frogs, captained by Mona Morris, and the Pigeonies, with Mary Jonas as captain, have already been named as top teams. The two other teams will be determined today.

Social committee members are: refreshments, Helen Simmons, Joanne Hoffman, and Marilyn Zeller; entertainment, Adeline Clark; publicity, Georgette Paris, Marilyn Zeller, Beverly Drew, and Bunny Fox. Norma Kemper is in charge of basketball, and Shirley White and Rhoda Anderson compose the badminton committee.

Registration begins at 9:30 with games scheduled from 10 to 12.

Dewey Recommends Teachers' Pay Hike

ALBANY, Feb. 27 (UP).—Governor Dewey's administration, acceding to demands of organized teachers for salary increases, today recommended a new pay schedule ranging from \$2,000 in rural areas to \$5,125 in New York city.

Dewey's special education committee, which has been studying teachers salaries for several months, asked the legislature to authorize substantial pay increments to become effective July 1.

The report came as Buffalo's city school system was crippled by a teacher strike and similar action was threatened in other cities.

The recommended plan would set three salary schedules, depending on the size of the city.

COOP PLANS LONG HOURS FOR SPRING

Two weeks after the opening of the spring quarter, the Spartan fountain will be operating between the hours of 7:30 in the morning until 10 in the evening.

This was the policy decided at the meeting of the Spartan Shop Board last Wednesday, when it met to examine means of extending the service of the fountain to students faced with evening meal difficulties.

The request for a full time assistant to Miss Ada Gardner, manager of the Spartan fountain also was considered during the meeting, but decision was postponed until the board could investigate the need.

The Spartan Shop Board consists of seven faculty members and four student representatives. The faculty members are: Mr. Melvin D. Wright, chairman; Dr. William H. Poytress, vice-chairman; Mr. E. S. Thompson, secretary; Dr. Raymond Barry, Dr. Carl Duncan, Mr. Milton Lanyon, and Dr. W. H. Myers. Student members of the board are: Al Caldwell, Betty Davis, Jim Gualtieri, and Dick Knox.

The board also expressed a desire that a student representative's term be for a sufficiently long period, to avoid loss of time in the bringing up to date of short term representatives.

'48 Revelries

According to Dr. Hugh Gillis, applications are now being accepted for Revelries director of 1948. Leave all applications in Speech office, room 159 before 4 p. m. Friday, March 7.

Campus Red Cross Drive Next Week

The campus Red Cross fund drive will begin Monday and continue through the rest of the week. Contributions will be on an entirely voluntary basis, according to Claire Canevari and Mrs. Dolores Spurgeon, student and faculty chairmen for the drive.

The quota for this year's campus drive is \$1790, \$480 less than last year's quota, Mrs. Spurgeon said.

Contributions will be received at a booth in the Library arch and Miss Edith Graves in the Business office will receive contributions from students, as well as faculty members and campus organizations, the chairmen said.

"I hope that students will try to contribute at least 50 cents apiece," Miss Canevari added.

The national Red Cross drive will run through the month of March and has a quota of \$60,000,000. San Jose will conduct its drive during the first two weeks of March, its quota being set at \$104,500.

Mixer Results

Results of the frosh-soph mixer events, as the paper went to press, were: baby bottle contest, sophomores; three-legged race, freshmen; basketball, (27-26) freshmen. Further announcements will be in Monday's Daily.

PostCOP Game Dance Tonight

Ending the basketball season in style, a tri-class sponsored dance will be held in the Men's gym tonight.

The dance follows the College of Pacific game here and will feature Benny Glassman and his 16 piece band, with Pamela Kirk, vocalist. Tickets will be sold at the door for 50 cents per person or 75 cents a couple.

COP students have been invited to the dance, and complementary tickets are being given to members of both the COP and San Jose teams.

PLANS FOR WAA TO BE DISCUSSED

Women students, if at all interested in recreational sports, are urged by members of the Women's Athletic Association planning and reorganization committee to attend a meeting in the Women's gym at 4:30 Monday.

At that time, a proposed constitution for the WAA will be discussed to get the approval or disapproval of the women. According to Allene Watt of the planning committee, the main purpose of reorganizing the WAA is to set up a program of recreational sports for everyone that is interested.

The current women's basketball tournament is an example of the type of entertainment the WAA would supervise. A large attendance at Monday's meeting will speed the reorganization of this group, and will further plans for a recreational sports program spring quarter.

Student Court To Increase

The new Student Court passed by unanimous vote last night, a resolution that will require all sororities, fraternities, campus clubs, and organizations, to send their latest constitutions to the court by March 15.

Chief Justice Mary Lou Allen also approved a motion by the court to enlarge the justice body by two members. The new members will help with the court in technical duties and not have voting power.

Media Hall and Keith Pope, new members to the court, were assigned duties. Justice Allen also stated that a court representative will submit a report to the Student Council on the court plans for the remainder of the school year.

The Student Court advises that all leaders of campus organizations read the Student Body constitution to their members so that infractions of the constitution be kept at a minimum. The court will hold its next meeting in the ASB office Monday at 4:15 p. m.

Mimi Dunn Speaks

Mimi Dunn, freshman student from Oakdale, will speak in connection with the Red Cross drive to an assembly at Peter Burnett junior high school, 11 o'clock this morning.

Miss Dunn, a potential speech major, worked with the Red Cross during the war. Experience includes duty with an entertainment unit which served at Hammond hospital and Stockton field.

SPARTANS PLAY CAGE FINALE

By ABNER FRITZ

Coach Whit McPherson's Spartan cagers play their final game of the season tonight.

The San Jose hoopsters will try to avenge a one point defeat at the hands of COP on February 1, by winding up the month and the season with a victory.

In their finale for the '46-47 cage season, the Spartans will be led by the same quintet that has worn the Gold and White all year.

Captain Hal Sonntag returns to the lineup after a two game absence caused by a sprained ankle. He teams at guard, with Stu Inman, who is the outstanding floorman for the local cagers.

Leading scorer of the squad, Chuck Hughes, will occupy the center slot, and will try to limit "Jumpin' Jack" Toomay, his COP counterpart from scoring the 20 or more points he has been averaging in recent games.

Ivan Robinson and Bob Hagen will occupy the forward positions. Robinson, the lad from San Diego, (Continued on Page 3)

Students Attend Asilomar Today

Several Spartans will travel to the Asilomar, near Pacific Grove, today to participate in the second Annual International Institute Relations conference being held this weekend.

Three prominent men in the field of international relations who will speak are: Prof. Albert Guerard of Stanford; Prof. Laurence Sears of Mills college; and Prof. Carl Landauer of California. The Rev. Bob James of the Student Christian Association will sum up the three day conference.

Among the Spartans going are: Jim Meynard, Meredith Hughes, Richard Moore, Alice Sampson, and the Rev. James.

JUNIORS SET PROM DATE

"Fairylend Fantasy" will be the setting for the Junior Prom to be held April 25 in the Palomar ballroom. This was decided Wednesday night at the junior council meeting, according to Sal Millan, class president. Clyde Appleby, with a sixteen piece band, will play at the annual semi-formal spring event.

Extensive decorations are planned to change the Palomar into a pastel fantasy for the occasion. Merideth Hughes, Louise Ramos, Betty Sills, and Barbara Jensen, are in charge of the decorations and designing the bids.

Registration day, March 30, has been set as the first day for bid sales which will sell for \$2.

Also on the agenda at Wednesday's meeting was the appointment of Arlene Ross as the class historian. Hal Riddle, with the assistance of Phil Robertson, will be in charge of the junior class Spardi Gras concession.

SJ HAS NEW VETS OFFICE

Walter L. Winston has been appointed to head the new Veterans Administration sub-regional office at 439 South First street, a VA bulletin announces.

This office will control the operations of the VA in an area extending from King City to Palo Alto. All veteran activities in Santa Clara, Santa Cruz, Monterey, and San Benito counties, will be supervised by this San Jose office.

San Jose garnered its only first place points in the diving with Leo Gaffney taking top honors. Pat McConnell was second behind Gaffney.

Tudor Bogart pressed Anderson in the 50 and was a close second.

WRESTLERS SEEK TITLES IN FAR WESTERN CHAMPIONSHIPS

Coach Ted Mumby's Spartan wrestlers hope to annex their second straight tournament this year, when they participate in the 18th annual Far Western Championships, which will be held in the Oakland YMCA this weekend.

The Spartans, who have already won the Northern Cal Junior Wrestling tourney at Berkeley a few weeks ago, stand an excellent chance of winning the championships, as they have four former FWC and four NCJW title holders. The Spartans won the Pacific Coast Intercollegiate Championships in 1941. In 1942, Co-Capt. Hans Weidenhofer and Fred Albright won the 175 and 135 pound titles respectively in this

tourney.

Their stiffest competition is expected to come from the Olympic club of San Francisco. The Winged "O" team led by Doc Northrup, the National AAU title holder is overflowing with ex-state and national champions.

Spartans vs. Tigers

(Continued from Page 1)
and Hagen who hails from San Francisco, have found the range lately and are due to score some points.

Coach Kris Kjeldsen's Tigers are undefeated in nine CCAA starts. Showing poor form in

early season play, the Stockton cagers improved rapidly at the start of conference play, and are at present one of the top independent teams on the West coast.

Grant Dunlap, Al Levy and Bud Proulx have developed into first stringers, and Kjeldsen's six and

a half foot center, Jack Toomay, finally found his eye in mid-season.

Lou Franz and Hank Pfister, both of whom played excellent ball during the cage clinic last month, still see action but are not key figures.

JV's TRY FOR EIGHTEENTH

It will be 18 in a row for the JayVee cagers, IF they win tonight.

The Bronzanmen face the Borla A. C. Vets, in the preliminary game which starts at 6:45 p. m.

The Spartan junior hoopsters have bowled over everyone on their schedule in the past two months, and would like to finish their year with a victory.

Jim Waterman and Chet Bulwa will probably draw the forward berths to start the fray. Dave Marks will be at center and Bob Enzensperger and Harley Dow will handle the guard assignments. Dick Montgomery, Mel Stein, and Bob Persha also will see action tonight.
